Home Helpers of Hinsdale Named "Caring Star of 2018" by Caring.com

Hinsdale, IL — Home Helpers Home Care of Hinsdale has been named a "Caring Star of 2018" for excellence in in-home care.

Determined through ratings and reviews by family caregivers and clients, the Hinsdale care agency earned 5 stars – the highest possible rating – making it one of only two care agencies in DuPage County and 17 statewide to earn the Caring Star recognition.

"We strive daily to deliver the highest quality in-home care to our clients," said Mike Doepke, co-owner of Home Helpers of Hinsdale. "This award from Caring.com shows that our efforts are paying off in the form of happy, satisfied clients."

"We would like to thank our clients and their families for their positive feedback and for trusting us with their care. We also thank Caring.com for recognizing our commitment to quality care."

Multiple Caring.com research studies show that most families turn to the internet to help them find care for themselves or their loved ones. Now entering its seventh year, the Caring Stars annual list helps consumers see which home care agencies are top rated by other families like theirs.

"Congratulations to Home Helpers of Hinsdale for achieving this award," said Karen Cassel, Caring.com CEO. "This important milestone speaks volumes about the positive difference Home Helpers is making in serving older adults and others in need of care, and we celebrate their accomplishment."

Here are some of the 5-star comments that led to Home Helpers being a Caring Star of 2018:

- "Home Helpers has made my life easier by taking the worry off my mind through the care they provide for my mother."
- "Home Helpers is the only agency to use. Home Helpers takes care of me in fine fashion."
- "My loved one could not get through the day without Home Helpers, and I don't have to worry about anything."
